3. BEFORE INSTALLATION

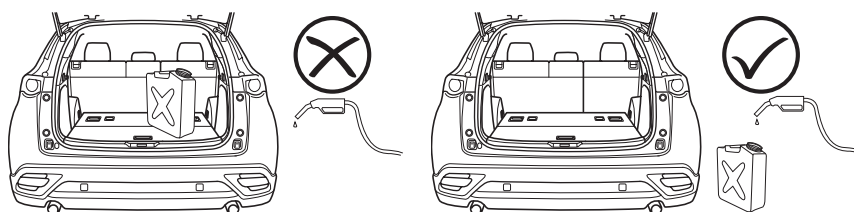

WARNING

Before performing any work, park the vehicle on level ground, apply the parking brake securely, and then block the wheels. If the vehicle moves while performing work, it may cause injury.

Static electricity can cause an explosion of flammable liquid, vapor or gas in any vehicle or trailer. To reduce risk of serious injury when filling containers:

- Always place container on the ground before filling.
- Keep the nozzle in contact with the container while you are filling it.
- Use only approved containers for flammable liquid.

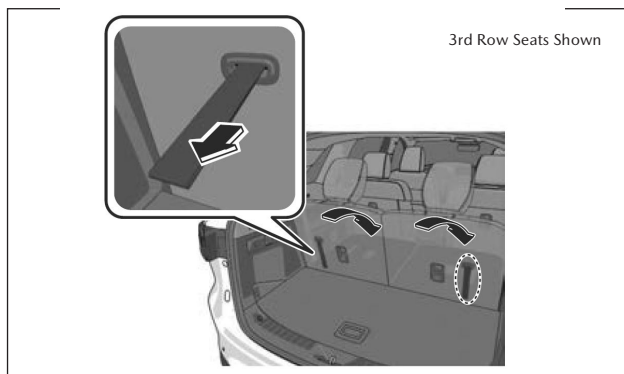

CARE & CLEANING

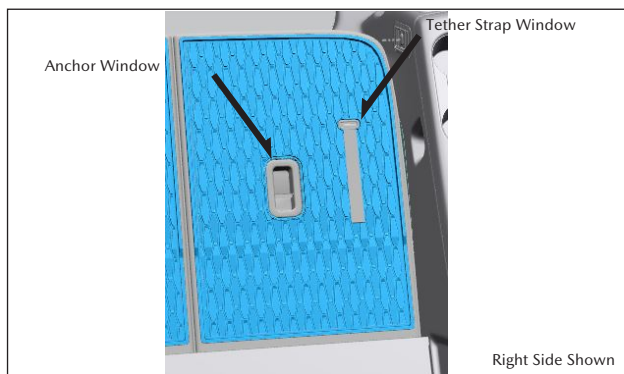

- This product protects your vehicle from being soiled, damaged, or getting wet by small amounts of water. However, the product itself may be soiled or damaged, or get wet.
- When cleaning the cargo liner, use warm water or diluted mild detergent.
- Never use any organic solvent such as thinner or benzene.
- Rinse cargo liner thoroughly with water and allow it to dry before reinstalling.
- When not using the cargo liner, wash the liner with water and dry it completely before storing it on a flat surface. To prevent deformation when storing, do not place any heavy object on top of the liner.

4. CARGO TRAY INSTALLATION

- Cargo area should be dry and clear of debris before installation.

1. Pull straps to fold down the seatback.

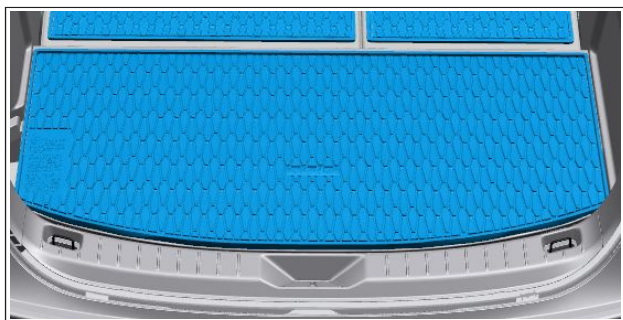

2. Place the seat back protection on back of rear seat.

- Remove child seat anchor covers from seatback protector
- Pull seat back release strap through tether strap window.
- Align child seat anchor window(s) with the child seat anchor plastic trim.
- Once seat back protectors are in place, install child seat anchor window covers and insure they are fully seated (if child seat anchor is not in use).

3. Repeat for other side.

Note: Make sure the placement of the seat back protector does not interfere with the cargo board when returning the rear seat to its upright position.

4. Place the cargo tray in the cargo area as shown.

5. Return the rear seats to their upright position.

Congratulations! You have completed the installation of the Genuine Mazda Cargo Tray With Seatback Protection.
