

GENUINE CARGO ORGANIZER

INSTALLATION AND USER'S INSTRUCTIONS

Thank you for purchasing a Genuine Mazda Accessory.

Before removal and installation, be sure to thoroughly read these instructions.

Please read the contents of this booklet to properly install and use the cargo organizer. Your safety depends on it.

Keep these instructions with your vehicle records for future reference.

WARNING

- There are several  **WARNING** and  **CAUTION** sections in this booklet concerning safety when installing or removing the cargo organizer. Always read and follow the instructions in order to prevent injuries, accidents, and possible damage to the vehicle.

 **WARNING:** Indicates a situation in which serious injury or death could result if the warning is ignored.

 **CAUTION:** Indicates a situation in which bodily injury or damage to the vehicle could result if the caution is ignored.

- Do not modify the cargo organizer.
- Do not install the cargo organizer in any way other than described in the following instructions.
- If in doubt, please contact your Mazda dealer to install the accessory in order to prevent errors in installation.
- Your cargo organizer is designed to transport normal cargo contents. Flammable or dangerous materials should not be transported in your vehicle at any time. If any corrosive chemicals are spilled on your cargo organizer, it should be cleaned as described in the Care and Cleaning section.
- If you have any questions about the use of the accessory, ask your Mazda dealer for proper advice before using it.
- Mazda and its suppliers are not responsible for injuries, accidents, and damage to persons and property that arise from the failure of the dealer or installer to follow these instructions.
- To ensure safety and reliability of the work, installation, removal and disposal work must be carried out by an Authorized Mazda Dealership.
- Be careful not to lose removed parts, and be sure that they are kept free of dirt, scratches, or damage.

PART NAME : CARGO ORGANIZER
PART NUMBER : KR9DV0370
VEHICLE : MAZDA CX-70

NOTE

To the dealer

- Please turn over these instructions to the customer after installation.

To the customer

- Keep these instructions after installation. The instructions may be necessary for installing other optional parts or removal of this accessory.
- Should the vehicle or this accessory be resold, always leave these instructions with it for the next owner.

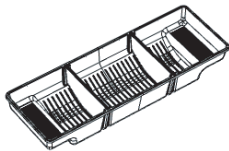

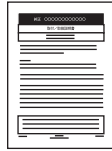

1. INSTALLATION VIEW

2. PARTS

※ Parts shown below are not to scale.

Before installation, verify that the kit includes all the following parts and that they are free of dirt, scratches, or damage.

3. BEFORE INSTALLATION

⚠ WARNING

Before performing any work, park the vehicle on level ground, apply the parking brake securely, and then block the wheels. If the vehicle moves while performing work, it may cause injury.

CARE & CLEANING

- When cleaning the cargo organizer, use warm water or diluted mild detergent.
- Never use any organic solvent such as thinner or benzene.
- Rinse cargo organizer thoroughly with water and allow it to dry before reinstalling.
- When not using the cargo organizer, wash with water and dry it completely before storing it on a flat surface. To prevent deformation when storing, do not place any heavy object on top of the organizer.

4. CARGO ORGANIZER INSTALLATION

- Cargo area should be dry and clear of debris before attempting installation.

1. Open rear liftgate.

2. Fold rearward portion of cargo floor board upward.

3. Fold middle and rearward portions of cargo floor board upward, exposing middle cargo sub-compartment.

4. Place cargo organizer on cargo sub-compartment tray, with flat forward wall of cargo organizer facing toward front of vehicle.

5. Insert cargo organizer into middle cargo sub-compartment, ensuring it is fully seated.

6. Unfold cargo floor board until flat and fully covering cargo sub-compartments.

Congratulations! You have completed the installation of the cargo organizer.
